

POLISH AMERICAN MEDICAL SOCIETY

Chicago, November 3rd, 2023

To whom it might concern,

We would like to commend Ingressus, Inc., represented by Mr. Tomasz Poplawski, for their hard work and dedication in helping to organize The 70th Annual Charitable Physicians' Ball in Chicago.

The Ball stands as the Polish American Medical Society's primary charitable occasion, with all proceeds directed towards Scholarship Funds, benefiting students in medicine, dentistry, and veterinary medicine. For years, our Society has awarded hundreds of thousands of dollars to numerous young medical professionals. We've also organized multiple meetings and seminars to aid students in pursuing their future careers.

The exemplary work of Mr. Tomasz Poplawski has made the event even more special. His indisputable knowledge of marketing, social media, and advertising techniques helped bring very important knowledge and timely information to all interested in our Charitable Ball. Mr. Poplawski's unparalleled personal skills and broad network of contacts bore fruit in securing a significant group of sponsors. Extraordinary manners of welcoming people with a smile and a huge sense of gratitude resulted in a completely sold-out event.

We look forward to our future cooperation with Ingressus, Inc. in preparing our balls and galas. Through their guaranteed professionalism, one can find an utterly reliable partner and friend whose goal is to devote time and expertise to your success.

We highly recommend Ingressus, Inc. for any of your projects and ventures.
